Good afternoon!

The EPA plans to host a virtual meeting in two weeks regarding our consultation under Section 106 of the National Historic Preservation Act with respect to the State of Florida's request to assume a Clean Water Act Section 404 program. We specifically intend to discuss a draft Programmatic Agreement that sets forth a process for ensuring protection of cultural and historic resources and welcome input from the consulting parties that are included on this email.

In order to schedule the meeting during a time that maximizes participation, please complete the doodle poll which may be accessed at:

regarding your availability by 5:00pm Eastern Standard Time (EST) on Thursday, November 19, and we will follow-up with a meeting invitation. Please note that the proposed meeting times are in EST.

We look forward to the discussion, and please let us know if you have any questions in the meantime.
